**FACE BOOK - Rotary Club Cape of Good Hope**

## An INDUCTION, an AWARD & an Interesting SPEAKER

.....All in one meeting

President Gillian started the meeting by inducting **Helena Walters** as our newest Rotarian.

Sponsored by her husband Alan, she will travel overseas

and visit Clubs as a fully-fledged Rotarian.

We welcome her into the family of Rotary and also our Club and wish her many years of happy Rotary service and fellowship.

It was then the turn of two Past Presidents to recognise a Friend of Rotary and son of our President, **Douglas Anderson** who has gone beyond the by helping in two projects in particular:

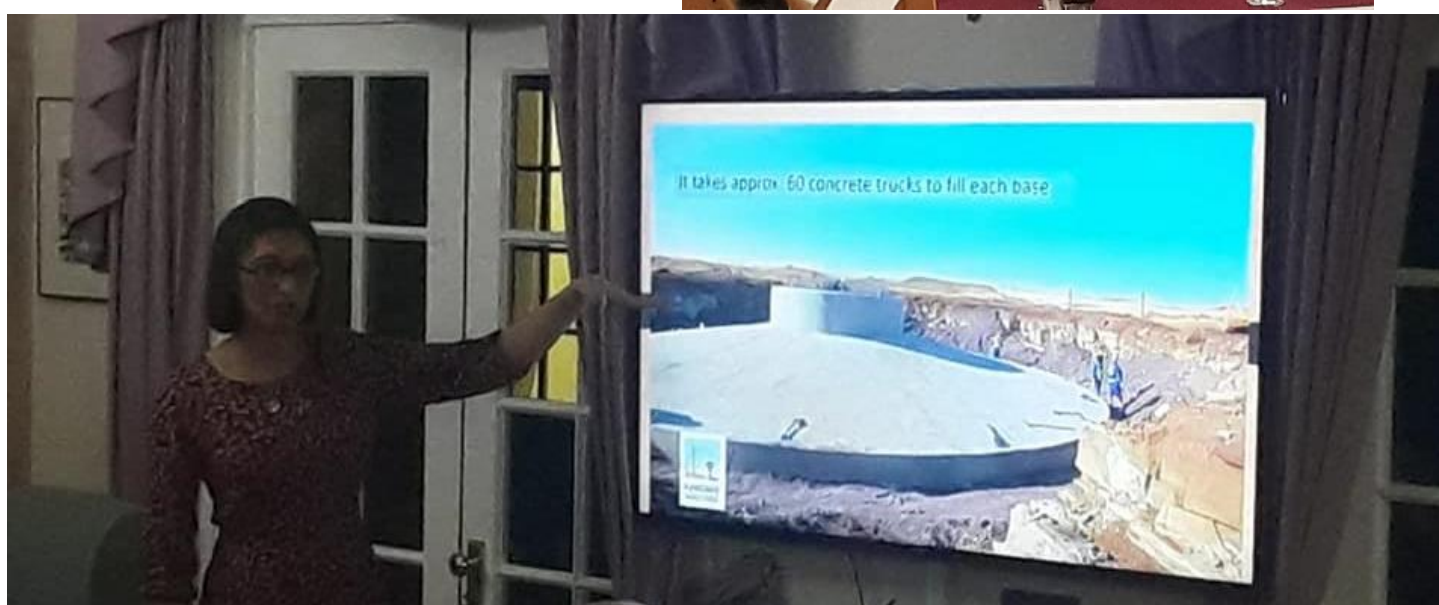

1. Helping **Marge Upfold** by driving the Aged & retired folk to the Masque Theatre every month.
2. Helping **Susan O'Hagan Ward** on more than one occasion to assist with the marshalling for both the Cycle Tour and the Cape Town Marathon, taking on extra responsibilities which resulted in the Club raising more funds than we otherwise might have done

Our guest speaker **Mercia Grimbeek** last week was the Compliance Manager at Mainstream Renewable Power South Africa.

She has oversight of all areas of regulatory and statutory compliance for construction and operational projects, and shared with us the intricacies of constructing a Wind Farm in the Northern Cape.

It was an interesting and insightful talk that had us listening with rapt attention.

Seen right is part of the base that is buried deep underground.

### **Meeting Programme – November to December 2019**
