2018-19 ROTARY CITATION
 WITH GOLD DISTINCTION

Awarded to the Rotary Club of

for helping Rotary **be the inspiration** in the lives of people all over the world.

Barry Rassin
 President, Rotary International

The announcement for the preceding year's citation was a little late in coming but nevertheless an outstanding achievement. Both the citations are worthy recognitions of both ladies for their hard work and dedicated leadership in each of their year as President.

Special mention and thanks is due to the Rotarians in the Club, their family members and in particular, Douglas Anderson for the support of the projects for their unstinting support

We are all PROUD of the achievements - Congratulations !!!!

Our weekly meeting was the first of President Koos' Monthly Subcommittee meetings.

1.Feedback on the DG visit.

President Koos began with a report back on the DG Visit of the week before by making reference to the letter of thanks he received from DG Carl-Heinz in which he highlighted the warmth of the club members he felt as the DG in the Zoom room, and the frank discussion with the Board which 'Opened Doors' for discussion. He congratulated Irene for being SARS compliant, PP Gillian for being our President Elect and President Koos for allocating an Environmental champion in Kirti. He thanked Susan, our Rotary Foundation representative, for her enthusiasm in her fund raising for Foundation & Polio Plus, and her thermometer which adds extra motivation. DG Carl-Heinz gave us some advice and food for thought on : Member classification; On Membership, when he stressed the importance of looking after our members and taking care of them; and finally, for the Club to keep up the good vibes.

His letter is attached to the email containing this newsletter for all members to read.

2. Sub Committees

2.1 Finances- We have R1,900 already collected for Foundation plus the generous donation of R3,000 from Barbara Hurwitz from the Star of the Sea School sanitiser project we sponsored; Some members subs are outstanding and Gillian will give a breakdown on the Covid-19 spend thus far

2.2 Projects

- **False Bay Hospital LAUNDRY Project.**

Susan has formed a sub-committee and sent a proposal to Kirti which will be considered by the Board at their meeting next week. Much discussion ensued on what can become a big project for the Club with the possibility of a BackaBuddy fundraiser after we have attended the district training

- **Pastor Shaddy Feeding Scheme - Marge** to arrange for Pastor Shaddy to present to the club

- **Friends of Child Protection** – there are dates set for the Pre pack and big pack

- **Jean's Rockery** – Hopefully have completed by end August

2.3 Membership – District training sessions planned:

Gillian Anderson, our Membership Director, said that will be using the **meeting on the 25th August** as an opportunity to **invite guests to the meeting** to get a feel of what Rotary is all about. Members are encouraged to invite anyone they feel may be interested. An article will go into the local Press.
