We made a good show with organiser Cilla, thrilled to have had Koos participate in the clean-up as they have been associates for many years.

We opted to clean in the lower Wetlands as they are fed by the water streaming down from the Rotary Youth camp, therefore, seemed more appropriate.

On our return to drop off our filled bags at the beach depot, we also cleaned the roadside and received many "Thankyou" wishes from the residents passing by.

The bright COGH bibs made a good show and added to the Rotary exposure.

It was a fun event and with the gloves and the braai tools they loaned us to pick up the litter, it was a very easy job to do.

Thanks to all who were there !!

We will do it again – hopefully with more Rotarians to help

NOLA HILL

February 1971 to September 2020

It is with a sense of disbelief and great sadness that we mourn the passing of an amazing lady whom we all knew so well as “Nola from the Galley” and celebrate the wonderful life she lived in dedicated service to Herbie and Mathea Eichel and to the ETE Board, but more especially, the children. She was much loved – and will always be remembered and much missed for her warmth and caring, plus her unselfish dedication to duty, and for the quiet and unassuming way she always managed to ‘make things work’ – no matter what

Her friends at the RC Cape of Good Hope send our Blessings and condolences to Nola’s children and her mother and sister, extended family and also her surrogate family, namely Herbie, Mathea and Michaela Eichel

See L - Nola and her sister Helouise

As [Helouise Fourie](#) said on Facebook:

“How do you say goodbye to your sister ? My Sister / Boss / partner in crime. I love you and I will miss you with every breath I take . You left us so quick, but I know you are safe in the arms of our Lord and I will meet you again. It's just that a bit of my heart is gone once again

It was not easy finding a picture of Nola to share in this newsletter, but on one occasion, when Mathea hosted a special ceremonial gathering at the Galley, we were able to capture this rare picture of Nola as she supported Mathea on the very memorable occasion of honouring her Koi San relatives

District News

Join District 9350 on Saturday 26 September 2020 to understand how Rotarians and Rotaractors can help contribute to the essential economic recovery of the three countries in our Rotary District.

This webinar covers:

o What is E3? A clearer understanding of the problems and potential solutions in Entrepreneurship, Employability and Education.

o What can we do? Some active examples of projects currently in progress

o Your next steps? Develop an action plan to take this forward

This is an opportunity to learn and to talk to people involved in this complex problem, breaking it down into steps every member can identify with and take action on.
