The Weekly Newsletter of the Rotary Club CAPE OF GOOD HOPE

AUGUST- MEMBERSHIP & New Club DEVELOPMENT

NOW is an excellent time for us all to introduce friends & colleagues

.. to the family of Rotary. It is also a good time to recognise and share the stories of the good works that have been done by Rotarians locally and all over the world, where many Rotarians are helping with Covid pandemic feeding projects, Vaccine drives and assisting in areas where the looting of shops and factories left many stranded. Our Club has partnered with the **Rotary Club of Chatsworth High-Noon**, and we look forward to receiving a report from both President Moodley of the Chatsworth Club and President Gillian, on the progress.

Most Rotary Clubs are still meeting online, yet there are some who have started meeting face-to-face again, albeit under strict Covid protocols. We are all missing the social “old way” of doing things, but perhaps those memories will have to remain just that memories of how things were!!!! The RI Secretariat have been busy drawing up various helpful online courses like: [Membership Resources](#) ; [Strategies for attracting new members](#) ; the [Engaging Online meetings page](#) and [Best Practices for Engaging Members](#), which are some of the online courses available to all Rotarians in the Learning Centre of My Rotary. We invite you to go to <http://www.rotary.org> and sign in.

Rotary has adopted a new Diversity, Equity, and Inclusion statement

To ensure that we, as an Organisation Value and Live the principles of Diversity, Equity, and Inclusion (DEI), the RI Board of Directors, with guidance from the DEI Task Force, have strengthened Rotary's DE and Inclusion document. Read the [updated commitment](#) and learn more about our efforts to ingrain DEI into our culture, to improve the membership experience for current and future Rotarians, Rotaractors, and the family of Rotary

2020-21 in Review

Although the last Rotary year had its challenges, we also had many achievements to be proud of. Take a look at General Secretary John Hewko's [report to the convention](#) on what we did during 2020-21

Introducing the Membership Society for New Member Sponsors

Rotary recently announced a new recognition programme called the **Membership Society** for Rotarians who sponsor New Members, and to recognize members who demonstrate an extraordinary commitment to sharing the gift of Rotary, a new [virtual gallery](#) in My Rotary will honour members who have sponsored a total of 25 or more new members.

Engaging your club's newest members

At the beginning of each Rotary year, many clubs welcome new members. We all know how important it is to engage new members right away, and pair them with a Rotary mentor who will learn about their interests, and help them to get involved in club activities. **To complement these efforts, Rotary will send a series of email messages to new members in their first year** to tell them about opportunities to get involved in Rotary beyond their Clubs. The messages will mention resources such as **Rotary Basics** and include information about **Rotary Fellowships, Rotary Action Groups, and The Rotary Foundation**. Together, we will make sure members have a fulfilling Rotary experience!

At the delayed Cape of Good Hope Rotary Club induction celebration Saturday 4 September

at the Fish Hoek Galley @10am, we will induct three new Rotarians – one of whom will be the first Family Membership induction in our Club – a new innovation that we have been planning for some time, and concur certificates to some worthy members of our Club and the Fish Hoek Community

More about the event to follow as details emerge. SAVE the date in their meantime please.

Subject: Post Office to Parliament: Progress, Press Release and Petition for Perusal!

To: **Uyinene Foundation** <info@uyinenefoundation.org.za>

Colleagues,

It is with great pleasure that I provide you with feedback on P2P progress.

We have a strong task team, and with your help:

- We have seen approx. 3 000 postcards handed out thus far (about 10 000 still to go in EC and KZN especially)
- The press release is out
- Our petition is gaining traction (NB. corporate/organisational signatures wanted)

A particular highlight this week has been seeing Luyolo of Langa for Men recite a poem in isiXhosa for learners who wrote on postcards. A beautiful sight! Also that the Minister WYPD and her team know about P2P, are in support of it, and will (pending Covid-19) be attending the handover to receive our petition.

Please keep writing and sharing with your networks as well. Keep in touch.

Emily
