Business meeting highlight last Tuesday, was the conversation with Rotarian Christine Mueller live from Germany. Her passion for vegetable gardening was palpable and she is so enthusiastic and supportive of the group of Ocean View ladies, led by Jane-Lee, who have prepared all the beds and planted the seedlings kindly transported by Neil Butterworth. In her WhatsApp later, Christine said *"It was inspiring talking to you. Thank you for the pictures of the ladies and the garden. I can see it is quite a big plot with lots of possibilities and worthwhile to support"*. We are indebted to Christine for her financial and moral support and so very grateful for her help. She is our guru and support in many ways and we all can't wait until she can get back to

Cape Town and share her wisdom, experience, and strength.

Graan who has promised his full

President Gillian led a group of Rotarians for a site meeting at Kleinberg School where we were able to see the amazing work these 5 ladies have achieved. Also spoke to the Principal, Denzil van support of the project that will feed a lot of hungry tummies.

The extra seedlings were donated to the Ishaqua Fishers so that can grow food for themselves in these lean times of the fishing off-season.

Postcards 2 Parliament

I went into Masi on Friday with Lara Fouche one of the volunteers from the Tina Thiar **HGG Groep** who sponsor 10000 Women. Matilda from the "Visionary Can Ladies Community" gave a talk about Abuse of Women and GBV and encouraged the ladies to stand up for themselves and say "NO" & also boosting their self-esteem by declaring "I am ENOUGH!" They completed beautiful postcards.... see picture L

More cards are available for people to share their own message of support grief or trauma of abuse.

Cape of Good Hope Rotary Club Induction celebration Sunday 12 September

My dear Fellow Rotarians

As you all know, we postponed our original Induction Breakfast planned for 18 July, at the Galley when President Cyril Ramaphosa brought in the social distancing & Covid-19 lockdown which left us with some outstanding issues that we need to deal with:

1. The formal Induction of our Club President
2. The Induction of Terry Spreeth and Dr Jane White as new Rotarians
3. The visitation of Past District-Governor Carl-Heinz Duisberg to hand over the Paul Harris Sapphire, he posthumously awarded to President Koos, to his widow Antoinette.
4. The awarding of certificates for Meritorious Community Service to Dr Wendy Waddington, Past CEO of False Bay Hospital and Mr Gavin Fish, Principal of Fish Hoek High School. Both of these recognitions were initiated by President Koos, so it is deemed fitting for us to fulfil his wishes now.
5. We will also hand over the Scrapbook- of-Memories of Koos to Antoinette, from our Club.
6. Honorary membership will be concurred on Antoinette Burger, Di Williams, Gillean Arnott & Ursula McCabe

The dress code is smart-casual. **Time is 9:30 for 10am start**

We have unfortunately had a price increase from the Galley from R130 to R150 per person but does include a glass of Champagne and Orange juice on arrival, and a re-charged glass for the Toasts.

Warm regards

PRESIDENT GILLIAN ANDERSON

Geography of a Woman as she ages: 🤔😊

Between 18 and 22, a woman is like Africa . Half discovered, half wild, fertile, and naturally Beautiful!
 Between 23 and 30, a woman is like Europe. Well-developed and open to trade, especially for someone of real value.
 Between 31 and 35, a woman is like Spain. Very hot, relaxed and convinced of her own beauty.
 Between 36 and 40, a woman is like Greece. Gently aging but still a warm and desirable place to visit.
 Between 41 and 50, a woman is like Great Britain. With a glorious and all conquering past.
 Between 51 and 60, a woman is like Israel. Has been through war, doesn't make the same mistakes twice, and takes care of business .
 Between 61 and 70, a woman is like Canada. Self-preserving, but open to meeting new people.
 After 70, she becomes Tibet. Wildly beautiful, with a mysterious past and the wisdom of the ages. An adventurous spirit and a thirst for spiritual knowledge.

THE GEOGRAPHY OF A MAN

Between 1 and 100, a man is like North Korea and Russia..... Ruled by a pair of nuts!
