

# INDUCTION 2021/2022

Club of Cape of Good Hope

# OUR NEW PRESIDENT

PDG Carl-Heinz Duisberg attended our Induction celebration – our first official since lockdown – and inducted President Gillian Anderson for her second term of office.

## 2 NEW ROTARIANS

He then assisted our President with the inductions of our 2 new Rotarians:

Terry Spreeth

Dr Jane White, who with her husband Ray, are our first “Family” members – a new and popular classification of membership in our Club.

# HONORARY MEMBERSHIP

President Gillian then favoured a group of ladies with Honorary membership of the Club, in recognition of their many years of service, in some cases, both as Anns and Rotarians

PP Ursula McCabe (in absentia)

Di Williams

Luise Rouessart

Gillean Arnott

# HONORARY MEMBERSHIP: ANTOINETTE BURGER

Added to that was Antoinette Burger, who was also granted Honorary membership in recognition of her work with, and also the dedication of the late Past President Koos Burger. PDG Carl-Heinz then presented Antoinette with a posthumous PHF Sapphire in recognition of all the work Koos did at the Rotary Camps and also for his huge and passionate support of all things regarding the Environment. He will be sorely missed by many. President Gillian handed over a scrapbook to Antoinette of all the messages of condolence received at the time of Koos' passing- a gift to treasure.

# THIRD PHF SAPPHIRE

PP Bev Frieslich received her third PHF Sapphire from PDG Carl-Heinz in recognition of her work on the RFHA SA NPC Board and as the D9350 RFHD Steering Committee Head for 5 years.

## RECOGNITION PRESENTATIONS

The final recognition presentations were to two prominent figures in the Fish Hoek Valley, namely:

Dr Wendy Waddington for her services as Medical Manager at False Bay Hospital for many years.

Mr Gavin Fish, the recently retired Headmaster of Fish Hoek High School.

Both will be sadly missed by many.

# THANK YOU TO THE GALLEY RESTAURANT

A huge thankyou and credit to the Management and staff at the Galley who gave us a sumptuous breakfast served in the usual warm and friendly but most professional way.

We are deeply grateful to them, and to Herbie, in particular who generously donated R10,000 to the club.

We are blessed to have such people in our community.

# FINAL THANK YOU

Finally – last but by no means least, our MC Susan O'Hagan Ward who did a great job of keeping things on track and flowing as smoothly as they did.
